RIVA | 76FT | 2021

OVERVIEW

The name Bahamas has long held a special place in the Riva legacy, evoking the effortless glamour of faraway islands and the romance of exploring the sea aboard an exceptional yacht. This vision inspired the Riva 76 Bahamas, one of the world's first convertible yachts and a remarkable expression of Italian design and innovation.

Blending timeless style with advanced technology, the 76 Bahamas offers the elegance of a classic motor yacht paired with the versatility of an open convertible design. Every detail reflects Riva's commitment to craftsmanship, performance, and refined luxury, creating a yacht that is as captivating to admire as it is to experience on the water.
